Van Houcke NV may not transfer this offer or any part thereof without Innomotics' prior written approval.

— Innomotics may transfer, assign, or novate the offer, or any part of it, to an affiliated company, being any legal entity ("Company") which directly or indirectly is controlled by Innomotics, controls Innomotics, or is controlled by a Company which directly or indirectly controls Innomotics.

In the event of a sale or other transfer of a business of Innomotics, or a part of a business of Innomotics, to a third party, Innomotics shall further be entitled to transfer, assign or novate the whole offer or any part of the offer to such third party.

Innomotics may sub-contract parts (but not all) of the delivery.

The products will be labelled either by Siemens or Innomotics as manufacturer.

Export Control Compliance

— General. Customer shall comply with all applicable sanctions, embargoes and (re-)export control regulations, and, in any event, with those of the European Union, the United States of America and any locally applicable jurisdiction(s) (collectively "Export Regulations").

Checks. Prior to any transfer of hardware and/or software and/or technology delivered by Innomotics, or works and services performed by Innomotics Products (including corresponding documentation, all kinds of technical support and/or technology) (collectively "Products") to a third party, Customer shall check and warrant by appropriate measures that (i) there will be no infringement of an embargo imposed by the European Union, the United States of America and/or by the United Nations by such transfer, by brokering of contracts concerning Products or by provision of other economic resources in connection with Products, also taking into account any prohibitions to circumvent these embargos (e.g., by undue diversion); (ii) such Products are not intended for use in connection with armaments, nuclear technology or weapons, if and to the extent such use is subject to prohibition or authorization, unless required authorization has been obtained; (iii) the regulations of all applicable sanctioned party lists of the European Union and the United States of America concerning the trading with entities, persons and organizations listed therein are considered; and (iv) Products within the scope of the respective Annexes to EU Regulations Nos. 833/2014 and 765/2006 as well as of Annex I to EU Regulation No. 2021/821 (in their current versions, respectively), will not, unless permitted by European Union law, be (a) exported, directly or indirectly (e.g., via Eurasian Economic Union (EAEU) countries), to Russia or Belarus, or (b) resold to any third party business partner that does not take a prior commitment not to export such Products to Russia or Belarus.

— Non-Acceptable Use of Software and Cloud Services. Customer shall not, unless permitted by the Export Regulations or respective governmental licenses or approvals, (i) download, install, access or use the software, cloud services and/or documentation from or in any location prohibited by or subject to comprehensive sanctions (currently Cuba, Iran, North Korea, Syria, and the Crimea, Donetsk and Luhansk regions of Ukraine) or to license requirements according to the Export Regulations; (ii) grant access to, transfer, (re-)export (including any 'deemed (re-)exports'), or otherwise make available the

software, cloud services and/or documentation to any individual or entity designated on a sanctioned party list of the Export Regulations; (iii) use the software, cloud services and/or documentation for any purpose prohibited by the Export Regulations (e.g. use in connection with armaments, nuclear technology or weapons); (iv) upload to a cloud services platform any content unless it is non-controlled (e.g. in the EU: AL = N; in the U.S.: ECCN = N or EAR99); (v) facilitate any of the aforementioned activities by any individual or entity to whom Customer grants access, transfers or otherwise makes available the software or cloud services and/or documentation (collectively "User(s)").

Responsibility for User(s). Customer shall provide any User(s) with all information necessary to ensure compliance with the Export Regulations. Customer shall (i) be responsible for the use of cloud services by any User; (ii) procure to pass on all of Customer's obligations under this Article 1 to each User; (iii) ensure that all Users comply with Customer's obligations under this Article 1. Should Customer become aware of any violation of its obligations under this Article 1, Customer shall immediately terminate the relevant User's access to the cloud services.

Information. Upon request by Innomotics, customer shall promptly provide Innomotics with all information pertaining to User(s), the intended use and the location of use of the Products.

Reservation. Innomotics shall not be obligated to fulfill this agreement if such fulfillment is prevented by any impediments arising out of national or international foreign trade or customs requirements or any embargoes or other sanctions. Customer acknowledges that Innomotics may be obliged under the Export Regulations to limit or suspend access by Customer and/or User(s) to software and/or cloud services.

Meaning of Free Choice Text

If Customer has within the scope of the electronic order process, the ability to insert a "free choice text" (F), statements of Customer inserted into this text (F) are solely for the purpose of internal purchase order processing of Customer. Statements of Customer inserted into this text (F) are not reviewed or taken into consideration by Innomotics, are transferred as is without changes and are reproduced on the purchase order documents solely for the purpose of internal purchase order processing of Customer. Therefore, the information provided does not affect the contractual relationship and is not legally binding.

This offer is made on the basis of the technical data received with your enquiry.

We reserve the right to make changes on the receipt of driven equipment data or additional specifications.

Changes made by the customer to the scope of supply and services and/or delivery date after the placing of the order and during its order processing will only be carried out after acceptance of the change proposal. These changes can have price and delivery implications.

Please try to bundle items which are the same in one order position. Items of the same type should have the same type number, options, delivery date and delivery address. Please contact directly the local sales manager to determine the optimum lot size.

We trust that our offer meets with your requirements. However, should you require any further information please do not hesitate to contact us.

Yours faithfully

Innomotics GmbH
